There was an informal discussion pertaining to various problems of mutual interest to the Chains.

A report was made by Ed Goldberg pertaining to the status of the proposed changes in the Federal Minimum Wage legislation.

Dan Lieblich discussed the matter of collection of lineage and price statistics from bowling operators by Dunn & Bradstreet and advised that Brunswick, which had formerly paid D & B $25,000 per annum for this service, had discontinued it; that D & B was ready to continue the service for all BPAA members if BPAA would pay $15,000 per annum for the service and urge all of its members to participate on a confidential basis; that he had contacted Brunswick about the matter and that Brunswick had agreed to contribute $7500 toward the cost of another year's service and that AMF agreed to contribute $2500 additional; that the averages for each state would then be made available to each participating member who would send in his information to D & B. Mr. Lieblich urged that we ask the Board of Directors of BPAA to pay small difference and retain D & B for another year's service. It was agreed by all to recommend the same to the Board of Directors.

There was a long discussion about Brunswick's activities in its BCO division in the extent of the competition of its approximately 200 bowling centers now in operation. Ed Goldberg also discussed the effect of AMF keeping competition alive which might otherwise go under by reason of its credit and payment-moratorium policies. It was suggested that this matter be brought up at the Board of Directors meeting.

Nick Mormando, Chairman of the By-Laws Committee reported on the activities of the By-Laws Committee and its consideration of a new set of By-Laws for the BPAA.

There was a general discussion of the proposal of John Brown of Great Lakes Bowling Corp. that the BPAA By-Laws be amended to provide that all per-lane dues and assessments of all members be limited to a

The Brunswick Corporation

Dear Mr. Hanigan:

Our Association views with alarm and deep concern the assumption by the Brunswick Corporation of the ownership and operations of certain bowling establishments.

In view of the fact that the Brunswick Corporation is a major manufacturer of the pinsetter and other equipment, which are so vital to the operations of bowling centers, we feel that the entrance of a major manufacturer into the operational phase of the bowling industry, is unfair competition and not in the best interests of the public.

We would appreciate a policy statement of your company's position on this matter at your earliest convenience.

Dear Mr. Davis:

Mr. J. L. Hanigan has referred to me your letter of April 16, 1965 for reply.

Neither the Nassau Bowling Proprietors Association nor any other proprietors association or individual proprietor have any legitimate cause for alarm or concern over the operation by Brunswick Corporation of a relatively few bowling establishments.

Regrettably, certain establishments fell far behind in their payments to Brunswick with delinquencies reaching such magnitude that Brunswick had no alternative but to repossess the equipment and attempt to minimize its losses as a creditor. In this posture the most prudent measure that could be taken in certain instances was for Brunswick to then assume the operation of the establishment on a salvage basis and attempt to bring it back to the point where it could stand on its own feet. During the course of salvage and at an appropriate point Brunswick will consider responsible offers to sell the establishment as a going business. We know of no other way to protect the interests of our stockholders and the measures we have taken have been done so out of necessity.

Any implications or innuendoes in your letter that Brunswick has done or will do anything illegal, unfair or not in the best interests of the public, are emphatically and categorically denied.

During its period of salvage operations Brunswick intends to be a good proprietor, follow commercially acceptable methods of operation, and conform to the laws of the land.

If you have any specific complaint or wish to write us further, please feel free to do so.

BCO DIVISION
BRUNSWICK CORPORATION
5-YEAR PLAN
1966 - 1970

FOREWORD

The Brunswick Center Operations Division has been in existence since January 1, 1965. It was established primarily for the purpose of evaluating, acquiring and profitably operating bowling establishments that are in distress, and thereby delinquent in payment of their equipment accounts.

During the eight-month life of the Division, we have been engaged almost 100% in performing the above objectives. However, in so doing, we have acquired some basic concepts of the potential this Division can attain in the near future.

The following 5-Year Plan is a summary of the concepts and objectives we now see for the BCO Division. As can be expected, some of the objectives are just past the idea stage. Our plans for the idea objectives are to investigate them thoroughly in the next few years to determine their benefits for the Division and the Brunswick Corporation.

The legal and financial aspects of the Canadian and International operations of this Division will be reported and recorded separately according to law. However, for purposes of the 5-Year Plan, they are included as a part of the BCO Division.

BCO DIVISION
BRUNSWICK CORPORATION
5-YEAR PLAN
1966 - 1970

A - OBJECTIVES

The objectives for the BCO Division for the next five years are as follows:

1. To become the domestic, Canadian and International Retail Operating Division for Brunswick Corporation.

2. To obtain and operate retail bowling establishments that are in distress, thereby creating a favorable cash flow within the first year, and a Division profit within three years. Rate of establishments to be obtained is:

	Domestic	Canadian
1965	105 establishments	30 establishments
1966	75 establishments	20 establishments
1967	75 establishments	10 establishments
1968	25 establishments	10 establishments
1969	25 establishments	10 establishments
1970	25 establishments	10 establishments

Eventually we should control 5% of the domestic and Canadian Brunswick bowling market. These establishments will be available for sale to private interests as a profitable business.

3. To promote the bowling industry as a whole, increasing interest, participation, and improving the image of bowling.

4. To enter the vending business beginning in the year 1968. To vend such products as food, cigarettes, music, etc.

5. To enter the real estate field whereby we purchase and develop the real estate involved with bowling establishments for use in developing retail outlets beginning in the year 1970.

6. Operate a billiard establishment, wherever possible, in conjunction with bowling operation. Program and promote this business, which should set standards in the industry much the same as bowling.

A1748
Exhibit P64

A - OBJECTIVES

7. Operate retail pro shop in each bowling establishment. In addition to selling consumer merchandise, such as bowling balls, bags and shoes, sell other recreational and sporting goods supplies and equipment as can be profitably handled.

8. In time, and if there is a concentration of bowling establishments, act as a service station for other proprietors in area - spare parts and pro shop needs.

9. Take lead in individual markets to promote and develop bowling market by working with independent operators.

10. Cooperate fully with Bowling Division, with Proprietor organization, and all integers of bowling industry.

11. Cooperate with Bowling Division by having B.C.O. houses available to test products that they might develop and advise Bowling Division of information obtained as it pertains to products, market development, etc.

12. Create an organization that can supervise the operation of snack bars, restaurants, and liquor bars on a nationwide scale and on a profitable retail basis. The controls and promotion of this operation will be the responsibility of this department.

13. Industrial Relations Department will set up an organization chart and help to staff this organization based on the needs of the Division. It will plan the needs for training, handle labor relations and personnel relations and set up standards for the continued improvement of the quality of the personnel of the Division.

14. The Service and Maintenance Department should organize a supervisory and auditing organization as it pertains to maintenance of all equipment in a bowling establishment, including the real property. It should set up the necessary manuals, policies and programs to insure an efficient, low-cost operation. A Standards program on all aspects of maintenance and supplies should be organized and in operation during the next five years.

15. This Division will look at all aspects of indoor recreation to be used to increase revenues in each establishment. Consideration and tests will be set up for such items as indoor golf, archery, Carom Bowl, etc.

A1749
Exhibit P64

A - OBJECTIVES

16. To provide a franchise arrangement for the bowling industry beginning in the year 1967. This franchise would include a planned marketing package, maintenance and service programs, management, consulting, and auditing services, as well as site evaluation and personnel selection and training.

17. To provide an installment credit plan which will enable the pro shop outlets to sell on a credit basis, thereby increasing sales.

18. To provide for a Division Management Information System.

19. To set standards for the bowling industry in establishing profitable retail operation.

    a. Standards to include marketing, pricing and promotions.
    b. Management - profile and training of personnel.
    c. Proper accounting systems and controls.
    d. Proper maintenance and service programs for a bowling establishment.
    e. Standards of a bar and restaurant operation in a bowling establishment.

B - PLANS FOR MEETING OBJECTIVES

The following information is supplied to detail the plans for meeting the objectives listed in Section A.

While some of these objectives are in a very primary state, the plans for attaining the objectives may include studies and programs to determine if the objective is a suitable one for the Division. In these instances, the financial impact may be very vague or unknown at this time, in which case they are not reflected in the financial summary appearing in Section E.

Each part of Section B corresponds to the same objective number listed

B - PLANS FOR MEETING OBJECTIVES

Objective No. 1

"TO BECOME THE DOMESTIC, CANADIAN AND INTERNATIONAL RETAIL OPERATING DIVISION FOR BRUNSWICK CORPORATION."

a. During 1965 we plan to acquire and operate 105 bowling establishments in the United States and 30 in Canada. This number is based on the list that we have received from the Credit Department. During 1965 we should have all key positions of the Division staff filled. Our staff should be able to handle additional houses at very little additional expense. During 1965 many of the personnel on the staff will become experienced in the operation of this Division. The basic organization chart should be able to handle two to three times the number of establishments we will have at the end of this year. Also, we will have trained as bowling center managers at the end of this year approximately 96 men.

b. By the end of 1966 we should be prepared to move worldwide in operating bowling establishments if there is a Corporate need. The personnel should become experts in their field, particularly the staff members, and with this additional year of experience, we should be able to take on additional assignments throughout the world if necessary.

c. By 1967 this Division should be prepared to operate other retail establishments such as marinas, golf courses, and so forth in the United States. As we grow in the various staff positions, our people should become expert in the operating of retail recreational establishments. In 1967 we should be prepared to handle other retail operations if the company deems it necessary. Based on this premise, we would train personnel and experiment in 1967 with a small operation of marinas and golf courses.

d. In 1968 we should have a staff nucleus operating and trained to go anywhere in the world. This means that in the year 1968 we should be able not only to expand in the United States, but, operating other types of retail establishments, go to other countries and to other continents with the same type of operation. We would continue to expand this operation during the years 1969 and 1970 with wider coverage for the retail recreational establishments, as well as any other type of business which the corporate may deem necessary for this Division.

B - PLANS FOR MEETING OBJECTIVES

Objective No. 2

"TO OBTAIN AND OPERATE RETAIL BOWLING ESTABLISHMENTS THAT ARE IN DISTRESS, THEREBY CREATING A FAVORABLE CASH FLOW WITHIN THE FIRST YEAR, AND A DIVISION PROFIT WITHIN THREE YEARS. RATE OF ESTABLISHMENTS TO BE OBTAINED IS:

	DOMESTIC	CANADIAN
1965	105 ESTABLISHMENTS	30 ESTABLISHMENTS
1966	75 ESTABLISHMENTS	20 ESTABLISHMENTS
1967	75 ESTABLISHMENTS	10 ESTABLISHMENTS
1968	25 ESTABLISHMENTS	10 ESTABLISHMENTS
1969	25 ESTABLISHMENTS	10 ESTABLISHMENTS
1970	25 ESTABLISHMENTS	10 ESTABLISHMENTS

EVENTUALLY WE SHOULD CONTROL 5% OF THE DOMESTIC AND CANADIAN BRUNSWICK BOWLING MARKET. THESE ESTABLISHMENTS WILL BE AVAILABLE FOR SALE TO PRIVATE INTERESTS AS A PROFITABLE BUSINESS."

a. The scope of our activities will include the United States and Canada.

b. Method

A feasibility study of all distressed bowling centers will be made including the study of market, site, physical plant, competition, management, and an internal audit of accounting records. From the information gathered, a decision will be made as to the feasibility of acquiring the bowling center. In positive situations, negotiations with the landlord and all other secured creditors will proceed in order to obtain the best possible terms for Brunswick to operate. Any establishments to be acquired must fall within the criteria established by the Advisory Board for our division. After all negotiations have been concluded, the establishment will be acquired by the Acquisition section. This latter group will also be responsible for keeping records on expiration dates on leases, licenses, taxes, etc.

As short term leases begin expiring and we give consideration to entering into long term leases, a further evaluation will be made. This evaluation will be predicated upon the actual operation under BCO

A1753
Exhibit P64

Objective No. 2 - cont'd

and the possibilities for further improvement based on market improvement, competition, and further rental concessions on the part of the landlord.

In mid-1966 a team of men will be assigned to look at potential markets for new installations of used equipment. In those cases where such an analysis indicates favorable market conditions, good site availability and limited competition, and where private capital is not readily available to make the necessary investment, we will take the necessary steps to secure the property for the building of a Brunswick-operated center. This effectively will put us in a position where we will be able to control the distribution of our capital equipment and sell off, or franchise, going businesses to sound investors. Consideration will be given to locating such new centers as interceptors to outlying competitively equipped bowling establishments where such an installation would prove profitable to Brunswick.

In subsequent years, 1967 and after, an additional team of men will be assigned to develop new locations for BCO.

c. Productivity

Beginning in late 1964 we began evaluating distressed bowling centers to determine the feasibility of Brunswick operation. From these evaluations comes the input of Brunswick-operated centers. Based on the input figures of distressed establishments provided by Installment Credit, we are assuming the number of evaluations to be completed in each of the next five years and the number of Brunswick centers which will result from these evaluations. In addition, we are listing the number of new establishments which will be developed during this period of time.

d. Manpower

As conditions change and the input of distressed establishments slows down, it will be necessary to divert people to the evaluation of new sites. It will also be necessary to maintain a nucleus of real estate and financially orientated people to re-evaluate bowling centers prior to Brunswick commitment on a long term lease. Nevertheless, as skills become sharpened, it is apparent that economies can be accomplished in manpower. On a long term basis, this department will develop into a real estate acquisition group for the division and perhaps for the corporation. Following is an estimate of the number of management personnel required in each of the next five years. It is

assumed, of course, that these men will be supported by the proper complement of clerks and secretaries.

	Evaluation	Acquisition	Canada		Total
1965	12	4	4	=	20
1966	12	4	4	=	20
1967	10	4	2	=	16
1968	8	2	2	=	12
1969	8	2	2	=	12
1970	8	2	2	=	12

e. Personnel Development

An aim of this department will be the development of personnel into areas of maximum usefulness to the Division. Those individuals who demonstrate leadership and aggressiveness will be exposed to operational procedure in order to provide a pool from which to draw future district managers. Those individuals who possess the highest degree of real estate and financial ability will be retained as the nucleus of the Divisional or Corporate Real Estate Department.

Steps toward development are underway at this time. The key men have all been given full supervisory authority over a limited number of people in order to observe and assist in their development.

f. By-Products of Management Services

While evaluating and acquiring bowling centers for the Division, certain by-products are developed. These are:

i) The evaluation of all distressed establishments which assists in determining their ultimate disposition.

ii) The protection of Corporate Receivables, Reserve and establishe pricing policy by adding muscle to the collection effort.

iii) Assistance to the Bowling Division by uncovering and developing

iv) Assistance to the Credit Department in preparation of feasibility studies prior to extension of future installment credit.

v) Reducing warehouse inventories of used equipment through installation at new sites.

vi) Developing market and financial criteria which can be used as sales aids by the Bowling Division.

vii) Potential use as a Consulting Service for the bowling industry.

B - PLANS FOR MEETING OBJECTIVES

Objective No. 3

"TO PROMOTE THE BOWLING INDUSTRY AS A WHOLE, INCREASING INTEREST, PARTICIPATION, AND IMPROVING THE IMAGE OF BOWLING."

a. Programs

i) To promote bowling for the entire industry by operating successful BCOD establishments, testing new ideas for the bowling industry as a whole, and providing successful ideas to other proprietors.

ii) To improve the image of bowling as a respectable recreation in a business conducted by high level, respected, and well-financed operations.

iii) To develop open play participation in the fall and spring seasons comparable to the winter in Brunswick-operated centers.

iv) To increase summer participation of bowling by 50% by 1970 - a yearly increase of 10% a year in 1966 through 1970.

v) To stimulate league play to solid early evening and night-time participation by men, women, industrial, church, mixed and senior groups, and to develop double shift leagues within three years after taking over any establishment.

vi) To build the daytime ladies' participation to full use of the equipment during school hours - each house with 60% utilization each week on a shift basis by 1970.

vii) With the consistent development of junior bowling in establishments, schools and colleges, it is desired to build a solid base of 100,000 junior participants per year between the ages of eight and eighteen by well supervised and organized programs by 1970.

viii) To create an interesting, active, well-planned program for senior citizens (age 55 and over) in league and tournament play, and to have at least one senior league in each house by the end of 1967 and two leagues by 1970.

ix) To maintain BCOD establishments in a fine operating condition, constantly watching service methods, improving and modernizing

Objective No. 3 - cont'd

the equipment to the latest standards, thus bettering the image and customer relations in BCOD centers.

x) To promote tournaments, T.V. shows, etc. with bowling proprietor houses and to assist in promoting seminars and training sessions with these proprietors.

xi) To recognize the small ball game, its potential and the development of similar promotion programs as used in ten pins.

b. Plans

i) Hire during the 1965-1966 season a competent promotion man for the Division to supervise plans for each year.

ii) During 1965, early 1966, promotion marketing plans have been and will be developed to have planned promotion programs for our establishment managers to use. Namely:

1) Junior Bowling Manual
2) Tournament Manual
3) General Promotion Manual
4) Promotion Procedure Manual
5) Summer Program Manual
6) Senior Citizen Promotion Manual

iii) To work closely with the Bowling Division to test their market promotion plans, ideas, and provide accurate figures for their use.

iv) BCO Division will provide accurate and up-to-date lineage figures of their various operations in different sections of the country for use by the Bowling Division to assist in their determination of the economic conditions in bowling markets. In addition, these figures will be useful as a guide to what geographic markets need promotion assistance from a proprietor and Brunswick management determination.

v) It is the intent of the Division to work closely during 1965 and 1966 to assist the American Bowling Congress and Women's

International Bowling Congress in the promotion and sanctioning of Children's leagues by meeting and programing for them.

vi) During 1966 and 1967 it is planned to work closely with the Life-time Sports Foundation, the National High School Federation and other interest youth groups to help develop a solid Junior Secondary School Program and to gain better acceptance by the public schools for both in-school and after-school bowling programs.

vii) During 1966 and early 1967 a format and the initiation of a national junior tournament event will be developed for children. This event will meet the sanctioning specifications of the National High School Federation. OUT

viii) During 1966 the birthday party program for youngsters will be refined and promoted on a grand scale at each of our centers. This promotion package will be available for use by the Bowling Division in its annual presentation to the general proprietor membership.

ix) During 1966-1967 a planned program will be instituted for Senior Citizen promotion which would include awards, tournaments, and leagues for use in BCOD establishments.

x) A National Tournament will be held in the spring of 1966 for all of our houses using the high game rolled in each house, each month. A final roll-off will be held in each place by class, and a National Tourney in a site to be determined. To be refined in 1967, with a start to make this tournament of tremendous national importance by 1970.

xi) A League Officer's Portfolio will be introduced in the fall of 1965 to all BCOD leagues bowling in the establishment. This book will be developed with scoring tips, rules of etiquette, and other data sheets to assist the league officers in their carrying out of responsibilities.

xii) The Star Bowler Program of the Bowling Division will be implemented where needed in the BCO establishments. During late 1965 and early 1966 one of the key star-bowlers, Chief Halftown,

Objective No. 3 - cont'd

will be used extensively in the development of youth programs and to assist in gaining a foothold in many public school systems. During 1967 and 1968, develop this program to exploit bowlers in developing the business.

xiii) Active employment of the Learn to Bowl and League Sales kits and programs in addition to our material used with these activities will be improved during 1966. By 1967, we should have experts in this field.

xiv) Active participation with Bowling Proprietor organizations in specific selected promotions on T.V., newspaper, and radio will be encouraged and developed during 1966.

xv) BCO Division intends to use during 1966 and 1967 seasons the radio and television clips developed by the Bowling Division in specific markets to help stimulate the desire for open bowling. Many cities like Providence, Baltimore, Miami, etc. are natural areas where the Division has large clusters of houses and the costs can be spread, besides helping to build not only the BCO market but the independent proprietor lineage. During 1968, 1969, and 1970 we should further exploit these media for bowling if found to be successful.

c. Test Promotions

i) Carom Bowling - During 1966 the Division will test this new form of bowling in a few select houses.

ii) A thorough investigation will be conducted during 1966 into the use of closed circuit television for use during instruction classes and to stimulate open play practicing.

iii) During 1967 the Division will test the Indoor Golf game in its bowling establishments.

iv) During 1968 the Division will test automatic scoring devices in the promotion of business.

d. Bowling Image Building Plans

i) Steps are being taken during the fall of 1965, and in the ensuing years, to raise the price of bowling, rental shoes, lockers and other retail aspects rented or sold in our centers.

ii) In conjunction with building the lineage in the establishments and creating a good image, constant observation, vigilance and action to repair, modernize and replace worn equipment and fixtures will be carried out.

iii) A planned program of up-dating our bowling equipment in converting to A-2's, changing from Crown Imperial design to the Gold Crown fixtures, will be carried on from 1965 to 1969.

iv) The A-2 conversions in the better houses and certain geographical areas will aid in increasing revenues, enticing competition to try to convert also and thus assist the Bowling Division sales.

v) By 1968, the Division will have completely developed a building and business image for its bowling centers.

D - INVESTMENT SUMMARY

The attached investment summary includes certain major expense items such as resurfacing, data processing and computer rental, air conditioning maintenance, and decorating expenses. While these are not considered capital items and are included as expenses in our profit and loss statement, they are of such a magnitude that we included them as major expenses in our 5-Year Plan.

All of the amounts are shown at list price on the attached schedules. However, for purposes of cash flow, we are using 50% of the list price for those items purchased from the Bowling Division. Therefore, for the projected expenditures for cash flow, the following schedule should be used for the period 1966 through 1970 for capital items only. (000 omitted)

Est. timing of expenditure	1966	1967	1968	1969	1970
Capital Items as Shown at List	$2,359	$3,020	$2,696	$2,429	$2,063
Deduction for Brunswick Items @ 50% of List -					
Modernization Equipment	$ 84	$ 84	$ 29	$ 29	$ 29
A-2 Conversion Kits	985	1,196	1,049	938	856
Billiard Tables	5	5	5	5	5
Total Deduction	$1,074	$1,285	$1,083	$ 972	$ 890
Cash Flow Outlay for Capital Items	$1,285	$1,735	$1,613	$1,457	$1,173

The expense involved in resurfacing is also shown at list price. Since this service will be performed by Brunswick, it too includes an element of profit and fixed expenses which do not require cash outlay. However, this item was shown as an operating expense to the BCO Division at full list price.

E - FINANCIAL SUMMARY

Addendum to Financial Statements

a. We have made the following assumptions for the 5-year profit and loss reports for the domestic operation.

1) Revenue was on the basis of 8,500 lines in 1965 and with the following increases per year:

1966 - 2.4% to 8,700 lines
1967 - 3.4% to 9,000 lines
1968 - 3.3% to 9,300 lines
1969 - 1.0% to 9,400 lines
1970 - 1.0% to 9,500 lines

2) The revenue per line was at 68.25 cents in the 15-year forecast. Therefore we used this rate for 1966, and increased the restaurant, bar, snack bar, billiards and pro shop portions at the rate of 3% per year for the years 1967 through 1970, while leaving the bowling portion constant at $0.50 per line. The bowling portion is for lineage revenue, and shoe and locker rentals.

Our year-to-date actual revenue per line is 70 cents. However, it was felt that this was not enough experience to change the amount used in the 15-year forecast. Our rate per line for the 5-year forecast is as follows:

1966 - 68.25 cents
1967 - 68.00 cents
1968 - 69.36 cents
1969 - 69.94 cents
1970 - 70.54 cents

3) Operating expense was shown at the same rate per line as was used in the 15-year forecast.

LEASE VITAL

Section 6. CARE AND MAINTENANCE OF PREMISES. Tenant shall make all repairs to the ~~Premises~~ Premises, including plate glass, which are necessary to keep the Premises in good order and repair except for ordinary wear and tear ~~and except for any repairs or replacements made necessary as a result of damage caused by any of the perils covered by any extended coverage insurance carried by Landlord pursuant to Section 10 hereof~~; however, in no event shall Tenant be required to improve the condition of the Premises over that existing on the date of this Lease. ~~Landlord shall maintain the roof and the outside walls (except for interior surfaces thereof), the sidewalks, driveways, sewers, water and gas pipes~~ and make all repairs and replacements necessary to maintain the building in compliance with all laws and governmental regulations and to protect and preserve the Premises, ~~including but not limited to exterior walls, roof, driveways, sewers, water and gas pipes~~; provided, however, Landlord shall not be required to make any repairs and replacements which are Landlord's obligation if Landlord shall immediately reimburse Tenant for the cost of such repairs and replacements or Tenant may deduct the cost from the rent payable under this Lease. Landlord warrants that on the date of this Lease the building and its mechanical equipment are in good condition and that Landlord knows of no substantial defect therein. Tenant shall have the right to make such interior and exterior alterations as Tenant may determine to be an enhancement of the premises.

* (including the reserved area described in Section 1, and the equipment in such reserved area,)

Section 7. TRADE FIXTURES. Tenant shall have the right to remove its trade fixtures and improvements, including but not limited to bowling alleys, pinsetters, bowling equipment, restaurant and bar equipment, billiard equipment and other chattels. Following the termination of the initial term and any extension thereof, Tenant shall be permitted to retain possession of the Premises for such period of time, not to exceed 30 days, as may reasonably be required to remove its said property from the Premises. (see Addendum)

Section 8. LANDLORD'S ACCESS TO PREMISES. Landlord shall have the right to enter upon the Premises at all reasonable hours for the purpose of inspecting the same, or for the purpose of making repairs or alterations to the Premises or any adjacent properties or for any other purpose or purposes contemplated under this Lease. In exercising such rights the Landlord shall not unreasonably interfere with Tenant's business.

Section 9. UTILITIES. Landlord agrees to furnish ~~all~~ the existing heating, air conditioning, cooling and ventilation systems ~~which are installed in the Premises on the date of this Lease~~ and to pay promptly all charges for the use of ~~same~~ such facilities. Tenant agrees to pay promptly all charges for the use of ~~such~~ Tenant's equipment. Landlord agrees to provide for Tenant at the Premises an adequate supply of water, electricity and gas and an adequate sewerage system and Tenant shall pay promptly all charges for the use of such facilities.

Section 10. INSURANCE. ~~Tenant shall pay for fire and extended coverage insurance on the Premises and Landlord shall pay for all other insurance carried by Landlord on the Premises. Tenant will furnish evidence of such insurance to Landlord.~~

Tenant shall carry and pay for Comprehensive Public Liability insurance, which names Landlord as an additional insured, on the Premises (and elevator insurance if there are elevators on the Premises) during the Tenant's occupancy thereof, with Bodily Injury limits of $100,000. per person, $300,000. per accident and a Property Damage limit of $50,000. per occurrence. Tenant will furnish evidence of such insurance to Landlord.

Tenant ~~Landlord~~ shall carry and pay for standard fire, extended coverage, and vandalism and malicious mischief insurance, which names ~~Tenant~~ as an additional insured and which provides for waiver of subrogation rights against Tenant, covering and in an amount equal to the insurable value of the Premises, improvements and appurtenances ~~hereto~~ and will furnish to ~~Tenant~~ Landlord evidence of such insurance.

During the time that Brunswick Corporation is the Tenant of this Lease, it may satisfy each requirement of insurance hereunder (other than public liability insurance) by providing insurance containing a provision for a deductible clause in the amount of up to $25,000.00, and including the Premises in any appropriate blanket policy which it may carry, which blanket policy need not name Landlord as an additional insured, and with respect to the Brunswick bowling equipment, it may act as a self-insurer.

All insurance policies or contracts provided for above shall contain a requirement that there be ten days' written notice to each insured prior to the cancellation of insurance with respect to that insured.

At least fifteen days prior to the expiration of any insurance which has been provided pursuant to the requirements of this section, the party responsible for carrying the insurance will provide to the other party evidence of renewal of such insurance or the replacement thereof.

Section 11. DAMAGE OR DESTRUCTION. If the Premises are destroyed or damaged by fire or the elements or other casualty and the damage or destruction is such that it cannot be repaired by Landlord within sixty days, or if it is such as to exceed 50% of the value of the Premises, Tenant may cancel this Lease by written notice mailed to Landlord thirty or more days before the effective date of cancellation and at anytime within sixty days after the damage or destruction. If the Premises are totally destroyed, Tenant may cancel this Lease by written notice mailed to Landlord within thirty days of the destruction. If this Lease is not cancelled as provided, Landlord at its expense shall with diligence repair, rebuild or restore the improvements and appurtenances as nearly as possible to the conditions existing just prior to the destruction or damage. Tenant's rental during the period from the date of fire or other casualty to the date of complete restoration shall be abated either in whole or pro rata in part, according to the percentage of interference with the conduct of Tenant's business in the Premises.

Section 12. EMINENT DOMAIN. Landlord shall immediately notify Tenant as to any notice or knowledge of any proposed condemnation or eminent domain activity which may affect the Premises.
If Tenant, upon receipt of such notice or other notice that there shall be taken or condemned by any competent authority:

(a) the whole of the Premises, or

(b) less than the whole of the Premises but the remaining portions of the Premises are not sufficient in Tenant's reasonable judgment for the conduct of its normal business operation and Tenant so notifies Landlord within one month after such notice,

then, and in either such event, Tenant may cancel and terminate this Lease as of the time when such taking or condemnation will affect Tenant's business and the parties shall be relieved and discharged of all further liability accruing after the date of such termination except that the rental accruing during the month of such termination shall be apportioned pro rata on a daily basis. Each party shall keep its own award and in the event only one award is given, it shall be apportioned between the parties as their respective interests shall appear.

If there shall be taken or condemned by any competent authority less than the whole of the Premises, and Tenant does not elect to terminate this Lease, then the rental payable under this Lease following such condemnation shall be abated pro rata in part in the same percentage as the value of the portion condemned bears to the value of the entire Premises.

Section 13. DEFAULT. If Tenant shall neglect or fail to make any payments of rent or other payments to be made by it hereunder, and such failure shall continue fifteen days after written notice thereof, or if Tenant shall neglect or fail to perform or observe any of the other covenants and agreements in this Lease contained and on its part to be performed or observed, subject to Section 20 hereof, then Landlord shall have the right to enter upon the Premises or any part thereof and repossess the same as of its former estate and expel Tenant without being deemed guilty of any manner of trespass and without prejudice to any remedies which might otherwise be available and upon entry as aforesaid, Landlord shall have the option to terminate this Lease and Landlord shall have the right to pursue such rights and remedies as may be allowed at law or in equity against Tenant.

If, after the commencement of the term of this Lease, Tenant shall be adjudicated a bankrupt or if Tenant shall make an assignment of all or substantially all of its assets for the benefit of creditors or if Tenant shall file in any court, pursuant to any statute, either of the United States or of any state having jurisdiction, a petition in bankruptcy or insolvency or for reorganization or arrangement, or if any such petition shall be filed against Tenant and such proceeding shall not be dismissed within 60 days after such filing, Landlord may cancel and terminate this Lease.

If, after the commencement of the term of this Lease, Landlord shall be adjudicated a bankrupt or if Landlord shall make an assignment of all or substantially all of its assets for the benefit of creditors or if Landlord shall file in any court, pursuant to any statute, either of the United States or of any state having jurisdiction, a petition in bankruptcy or insolvency or for reorganization or arrangement, or if any such petition shall be filed against Landlord and such proceeding shall not be dismissed within 60 days after such filing, or if there shall be filed a mortgage foreclosure or other lien foreclosure proceeding involving the Premises which adversely affects Tenant's business, and which is not dismissed within 45 days after such filing, or, the same having been filed, the Landlord permits a sale to take place thereunder, Tenant may cancel and terminate this Lease.

If Tenant shall have failed to perform an obligation required to be performed hereunder, then, Landlord may, subject to the provisions of Section 20 hereof, perform said obligation and any costs and expenses incurred by Landlord by reason thereof shall be paid to Landlord by Tenant and Landlord may consider same as additional rental.

If Landlord shall have failed to perform any obligation required to be performed hereunder then, Tenant may either cancel and terminate this Lease, subject to the provisions of Section 20 hereof, or Tenant may, but shall not be required, to perform said obligation and Tenant may deduct any costs and expenses incurred by Tenant from any rent or other sums required to be paid by Tenant.

of a subsequent breach of the same covenant or condition, and a consent or approval to or of any act requiring consent or approval shall not be deemed to waive or render unnecessary such consent or approval to or of any subsequent similar act.

Section 15. NOTICES. Mailing of a written notice or demand by registered or certified mail in a sealed, postpaid envelope addressed to Tenant in care of Manager, Property Administration Department, Bowling Operations at 69 West Washington Street, Chicago, Illinois, 60602, and to Landlord at _____ shall be sufficient notice or demand as of the time of mailing in any case arising under this Agreement.

Section 16. INTERPRETATION. Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third parties, as creating the relationship of principal and agent, or of partnership or joint venture between the parties hereto, it being understood and agreed that neither any provision contained herein, nor any act of the parties hereto, shall be deemed to create any relationship between the parties other than the relationship of Landlord and Tenant. This lease shall be interpreted under New Jersey law.

Section 17. QUIET ENJOYMENT AND USE OF PREMISES. Tenant upon payment of said rent and performing all the other covenants and conditions aforesaid on Tenant's part to be observed and performed shall and may peaceably and quietly have, hold and enjoy the Premises for the term aforesaid and may occupy the same for all lawful purposes and uses free from any disturbance by the Landlord or any other party. Landlord warrants that the existing uses of the Premises are not prohibited by law or by any agreement, and that Tenant shall be free to operate a bowling establishment, to sell bowling supplies and other recreational goods and to operate a food and alcoholic beverage dispensing business in the Premises. In the event that after the commencement of the term of this lease, the laws or governmental regulations affecting the Premises or the business conducted therein are changed so that the said existing uses are no longer permitted, then Tenant may cancel and terminate this Lease. Tenant may, but need not, use the trade name by which the bowling establishment in the Premises is now known. Landlord warrants the continued availability of the existing means of ingress and egress.

Section 18. ENTIRE CONTRACT. This Lease embodies the entire contract of the parties hereto and shall not be altered, changed or modified in any respect, except in writing by a duly authorized officer or attorney-in-fact of Tenant in Chicago and by Landlord.

Section 19. ASSIGNMENT. Tenant may assign this Lease or may sublet the Premises or any portion thereof and shall give Landlord written notice thereof. Notwithstanding any such assignment, notice of any alleged default by any such assignee shall be given by Landlord to the original Tenant herein in the same manner as provided with respect to the default of Tenant under Sections 13 and 20 of this Lease, and the original Tenant herein shall have the same rights to cure such alleged default as if no assignment had taken place.

Upon any assignment or subletting the Tenant named herein shall remain liable for the payment of the rent and the performance of other terms and conditions herein contained on the part of the Tenant to be performed, provided, however, that if the Tenant sells its bowling equipment and trade fixtures and Tenant's business in the Premises to a bona fide purchaser, either for cash or upon Tenant's standard credit terms, Tenant may assign this Lease to such purchaser and, upon the execution of a written assumption of this Lease by the purchaser for a period of not less than ten years, and the delivery thereof to the Landlord, the named Tenant herein shall be released from all liability of every kind and character under the terms of this Lease accruing subsequent to the date of the delivery of such instrument of assumption to the Landlord. In connection with any such assignment, Landlord agrees to sign such additional documents as Brunswick may reasonably require to provide additional security as against such assignee. In case of sale to bona fide purchaser consent of the landlord must be obtained, but same will not be unreasonably withheld.

Section 20. NOTICE OF BREACH. Any provision herein to the contrary notwithstanding, no breach under this Lease (other than the failure to pay rent) shall be enforced against the Tenant unless the Tenant shall fail to remedy the breach within thirty days after written notice from the Landlord specifying the breach, or, if the breach for any default other than non-payment of rent cannot be remedied within thirty days, then within a reasonable time thereafter provided Tenant commences to remedy such breach within said thirty day period and prosecutes it to completion with diligence.

No breach under this Lease shall be enforced against the Landlord unless the Landlord shall fail to remedy the breach within thirty days after written notice from the Tenant specifying the breach, or if the breach cannot be remedied within thirty days, then within a reasonable time thereafter, provided Landlord commences to remedy such breach within said thirty-day period and prosecutes it to completion with diligence.

Section 21. MEMORANDUM OF LEASE. The parties hereto, concurrently with the execution of this Lease, have executed a short form of lease suitable for recording which may be recorded by either party.

Section 22. SECTION HEADINGS. The section headings used herein are for convenience and reference only.

Section 23. SUCCESSION. All covenants and agreements herein contained shall be binding upon and shall inure to the benefit of successors in interest and assigns of the parties hereto.

Section 24. TAXES. Landlord agrees to pay when due real estate taxes, which may be levied against the Premises, ~~and personal property taxes on personal property on the Premises which are owned by Landlord. Landlord will provide to Tenant evidence of such payment within 30 days after receiving same~~ Tenant and personal property *the reserved area described in Section 1 and the equipment in such reserved area.

Section 25. NON-SUBORDINATION. This Lease shall not be subordinate to any mortgage or other lien hereafter to be executed or perfected with respect to the Premises.

Section 26. LANDLORD TO ASSIST WITH LICENSES. Landlord will assist Tenant in every way reasonably possible to enable Tenant to obtain or procure by transfer or otherwise, the licenses necessary to operate the bowling establishment, billiard room, ~~bar~~ and restaurant and other businesses attendant to Tenant's normal operations in the Premises. In the event that, through no fault of Tenant, (a) Tenant is unable to obtain any such license, or (b) having obtained the same it is revoked, then Tenant may cancel and terminate this Lease. To the extent that Tenant obtains the benefit of a license fee pre-paid by Landlord, Tenant will make payment to Landlord therefor on a pro rata basis.

Section 27. CANCELLATION. During the time that Brunswick Corporation is the Tenant of this Lease, it shall have the right at any time to cancel and terminate this Lease upon the payment to Landlord of 50% of the remaining unpaid rentals due during any term or extension upon which Brunswick Corporation is then obligated as Tenant hereunder.

ADDENDUM TO BOWLING
ESTABLISHMENT LEASE

THIS ADDENDUM is to a certain Bowling Establishment Lease dated July 10, , 1970, by and between RAHWAY RECREATION REALTY CO. and RAHWAY RECREATION, INC., hereinafter called "Landlord" and BRUNSWICK CORPORATION, hereinafter called "Tenant". Said Lease is hereby amended as follows:

Section 1. PREMISES. (continued)

(d) From the Premises, as described in Section 1, there is specifically excepted the area devoted to the operation of the cocktail lounge and the equipment and personal property devoted to such cocktail lounge business, the exclusive control of which is reserved to Landord, and in addition, Landlord reserves (1) the right of access at all reasonable times to said reserved area; and (2) the right to use portions of the bowling center concourse and other areas of the Premises for the service of alcoholic beverages and other purposes necessary for the operation of such cocktail lounge business in a manner similar to how it has been operated heretofore. The said exception and reserved rights shall cease and this Lease accordingly be amended to include the area of the said cocktail lounge upon the exercise by Tenant of its option to purchase the said cocktail lounge business.

A1782

(e) At the present time, there are installed on the Premises 24 AMF pinspotters which are leased by Landlord from AMF Pinspotters, Inc. pursuant to an equipment lease, which lease will last a number of years from the date hereof. During the term of such equipment lease, Tenant will make the payments to AMF which are due thereunder. Landlord agrees that at the time for action with respect to renewal, purchase or replacement of the said pinsetting equipment that Landlord will abide by any decision which Tenant then wishes to make with respect to pinsetting equipment, in which case the said equipment will be treated as trade fixtures and will be subject to the provisions of Section 7.

Section 4. RENTAL. (continued)

(b) During the first additional term the rental rate shall be $2,496.67 per month.

(c) During the second additional term the rental rate shall be $2,730.00 per month.

(d) During the third additional term the rental rate shall be $2,846.67 per month.

(e) If Tenant shall have purchased from the Landlord the cocktail lounge business now held by Landlord at the premises during the term of this Lease or any renewals thereof and the

A1783

premises defined by this Lease shall have been amended to include the portion of the building occupied by the cocktail lounge, then from and after the date of such purchase and the said amendment of this Lease, the rent shall be at the rate of $12,000 per year above the rent hereinabove provided.

Section 5. TENANT'S OPTIONS AND LANDLORD'S OPTIONS. (continued)

(4) During the initial term of this Lease Tenant shall have the option to purchase the Premises, (including the reserved area described in Section 1) together with all the equipment on the premises, for $600,000/ cash (Six Hundred Thousand Dollars). Exercise of the said option shall be by written notice to Landlord. / Said notice must be given at least 90 days before expiration of said term by registered or certified mail. During any successive term as provided under this Lease, Tenant shall have the right of first refusal to purchase the Premises and the equipment on the premises.

(5) In the event that Landlord shall exercise his option as provided in Section 5(b) (1), then Tenant shall have the right, as provided in Section 5 (b) (2), to pay Landlord for any deficiency.

(b) Landlord's Option

(1) The parties recognize that the profitability of the bar operations on the premises is fully dependent on the successful management of the bowling operation and that improper

PLEASE INITIAL

management of the bowling operation will have an adverse effect on the profits realized by Landlord from the bar operations on the premises. The parties agree that proper management of the bowling operations should result in an operating profit (as calculated pursuant to the accounting system provided by Tenant) in the bar operations of $12,000 per year. If during the twelve month period following the signing of this Lease or during any succeeding twelve-month period, the said profits from the bar are less than $12,000, the amount which the parties agree would result from proper management of the bowling operation, then Landlord at his option may cancel this Lease by written notice within 60 days from the expiration of the twelve-month period yielding deficient operating profits. Said notice shall state the amount of the deficiency in said profits during the twelve-month period.

(2) In the event the Landlord shall exercise his option under Section 5 (b) (1), then Tenant at its option shall have the right to pay Landlord an amount equal to the deficiency within 30 days from the date of the notice of cancellation. If the Tenant exercises this option, then the notice of cancellation shall be ineffective and the terms of this Lease shall continue to apply.

Section 7. (b) Tenant shall have the right to install trade fixtures and improvements or replace Landlord's trade fixtures and improvements with new or better fixtures and improvements in its own discretion where the cost of any single installation or replacement is not more than $2,500.00. Any installation or replacement and improvements above the cost of $2,500.00 shall be made after requesting Landlord's consent, which shall not unreasonably be withheld. Any installation or replacement and improvements made by Tenant without such consent shall not be removed by Tenant upon the expiration of the term and any extension or extensions thereof, provided that Tenant may have the right to remove such equipment after offering to Landlord the option of either purchasing said replacement equipment at book value (and upon the exercise of such option the equipment to remain in place) or of having Tenant replace the equipment previously removed so as to restore the premises to its original condition as respects this equipment.*

U.S. M.

(c) Certain contractual obligations of Landlord (as listed in Schedule A attached) are hereby assumed by Tenant. Tenant agrees to indemnify Landlord from all liability under the said listed obligations.

*In any event, landlord elects to have tenant restore the premises to its original condition with regard to this equipment then tenant agrees that no replacement equipment shall be removed until the premises have been so restored to its original condition with regard to this equipment, or until such time as the landlord signifies its satisfaction in writing to the tenant that the premises shall be restored to its original condition, which writing shall constitute a waive this provision in favor of the tenant.

Section 28. SERVICE AGREEMENT

As part of the consideration for the execution of this lease, the Landlord has required that Tenant execute, concurrently herewith, a Service Agreement by which Tenant agrees to perform certain services to Landlord which will be essential to the successful operation of the cocktail lounge. The parties hereto recognize the importance of said Service Agreement and also recognize the importance of the continued operation of the said cocktail lounge to the success of the bowling center business. Landlord agrees to make its best efforts to keep the license for such lounge in good standing and to make no effort to transfer the said license from the premises.

SERVICE AGREEMENT

AGREEMENT made as of the 10th day of June, 1970, by and between RAHWAY RECREATION, INC., hereinafter called "Rahway", and BRUNSWICK CORPORATION, a Delaware Corporation, with principal office at 69 West Washington Street, Chicago, Illinois 60602, hereinafter called "Brunswick".

WHEREAS, Rahway is the operator of certain cocktail lounge premises located in the bowling center known as Rahway Recreation located at Lawrence Street, Rahway, N.J.; and

WHEREAS, Brunswick, on or about the date of commencement of the term of this Agreement, will commence the operation of said bowling center; and

WHEREAS, Rahway is relying upon Brunswick's experience and knowledge concerning the control and recording of expenses incurred by operators of cocktail lounges in bowling establishments in various sections of the United States; and

WHEREAS, Brunswick has developed guidelines on a computer program basis and is able to provide a monthly set of records keyed to said guideline program; and

WHEREAS, certain expenses such as utilities are not metered so as to indicate what portion of all utilities billed to

Brunswick are used in the operation of the cocktail lounge;

NOW, THEREFORE, the parties hereto agree as follows:

1. TERM.

The initial term of this Agreement shall be for 84 months, beginning on the 16th day of July, 1970, and ending on the 15th day of July, 1977.

PLEASE INITIAL W.S.L. JSM

2. OPTIONS.

(1) Rahway shall have the option, to be exercised by giving Brunswick written notice at least 90 days prior to the expiration of the term, to extend the initial term of this Agreement for an additional term of ten (10) years, commencing upon the expiration of the initial term, or the same rental rate as provided herein for the initial term.

(2) In addition to the option contained in (1) above, Rahway also shall have the option, to be exercised by giving Brunswick written notice at least 90 days prior to the expiration of the initial term of any extension thereof, to extend the term of the Agreement for an additional term of five (5) years, commencing upon the expiration of the initial term and any extension thereof, at the same rental rate as provided herein for the initial term.

(3) In addition to the options contained in (1) and (2) above, Rahway also shall have the option, to be exercised by

giving Brunswick written notice at least 90 days prior to the expiration of the initial term or any extension thereof, to extend the term of the Agreement for an additional term of five (5) years, commencing upon the expiration of the initial term and any extension thereof, at the same rental rate as provided herein for the initial term.

3. SERVICES.

The parties agree that Brunswick will:

(a) furnish gas, light, heat, hot and cold water, and air conditioning to Rahway's premises for which Rahway agrees to pay $350.00 per month, which amount shall be adjusted from time to time in accordance with the basis upon which it was originally determined to reflect changes in wage rates or changes in the utility or water rates.

(b) perform all cleaning, maintenance and janitorial services including the removal of trash, garbage and other disposable waste for $150.00 per month which Rahway agrees to pay, and which amount shall be adjusted from time to time to reflect changes in wage rates or changes for scavenger services.

(c) provide bookkeeping services for the keeping of accurate records, assist in providing information necessary for the maintenance and renewal of all licenses necessary for the operation of the business, and provide information for preparation

of Federal, State and local tax returns pertaining to the operations carried on by Rahway at said location for which Rahway agrees to pay $400.00 per month. Brunswick will provide a complete monthly statement of all operations not later than the 30th day after the close of each of Brunswick's monthly accounting periods and make payment monthly and a calendar year-end statement of profit and loss on the operation of the business within sixty (60) days after the end of each calendar year. Rahway at its own expense shall have the right to inspect Brunswick's books to verify income,etc.

4. DEFAULT.

In addition to the failure of either party to comply with any requirement of this Agreement, either party shall be deemed to be in default under this Agreement if, at any time while this Agreement is in effect, either party is adjudicated a bankrupt or makes an assignment of all or substantially all of its assets for the benefit of creditors, or files in any court (pursuant to any statute of either the United States or of any state) a petition in bankruptcy or insolvency or for reorganization or arrangement, or if any such petition is filed against either party and the proceeding is not dismissed within sixty (60) days after such filing.

5. NOTICE OF DEFAULT.

Except for Rahway's obligation to make payments to Brunswick and except for the type of default specified in Section 4 above, any default under this Agreement shall not be enforced

against either party unless (a) the party in default is given thirty (30) days written notice specifying the nature of the default, and (b) the party in default either

(i) fails to remedy the default within thirty (30) days after the notice is given, or

(ii) fails to commence to remedy a default which reasonably cannot be remedied entirely within thirty (30) days, within thirty (30) days after the notice is given, and fails thereafter to continue diligently to remedy the default.

6. TERMINATION.

(a) Upon the termination, for any reason, of that certain Lease of the said bowling center premises executed concurrently herewith between Rahway and Brunswick Corporation, this Agreement shall thereupon also terminate.

(b) Upon termination of this Agreement, the parties shall do all of the following:

(1) Brunswick immediately shall deliver to Rahway control of all books, records, bank accounts, and other materials necessary for the operation of the cocktail lounge business.

(2) Within sixty (60) days after the termination date, Brunswick shall provide Rahway with an accounting of the operation of the business for the period from the date of the preceding accounting to the termination date.

OPTION AGREEMENT

OPTION AGREEMENT made July 10 , 1970, between RAHWAY RECREATION, INC., a New Jersey corporation, hereinafter called the "Owner", and BRUNSWICK CORPORATION, a Delaware corporation, with principal office at 69 West Washington Street, Chicago, Illinois 60602, hereinafter called "Brunswick".

WHEREAS, the Owner is the record owner of a cocktail lounge (including the liquor license for said lounge) in the bowling center known as Rahway Recreation located at Rahway, New Jersey; and

WHEREAS, Brunswick is entering a lease of even date with the Owner for the lease of the bowling premises operated at the same address; and

WHEREAS, Brunswick seeks an option to purchase the cocktail lounge;

NOW, THEREFORE, in consideration of $1.00 and other good and valuable consideration, the receipt of which is hereby acknowledged, it is agreed that:

1. Subject to the approval of any authorities having jursidiction under the liquor control laws of New Jersey, Brunswick may purchase the said cocktail lounge business, including the said license, the inventory and the good will, at any time

during the initial term of the lease of the bowling premises, and all additional terms, from Owner to Brunswick for $50,000.00 plus the value of any liquor inventory.

2. Subject to the same approvals as above, the Owner shall have the right to repurchase the said business from Brunswick on the same terms as above upon the expiration of the initial term of the lease of the bowling premises, and all additional terms, to Brunswick except that this right shall be extinguished upon the exercise by Brunswick of its option under the lease to purchase the premises and equipment.

Re: NBO v. Brunswick

Dear Mr. Hoffmann:

This is in response to your letter to me dated June 5, 1972.

The BCO centers in the 500 series are operated by Brunswick for the owner under a management agreement. The 800 series BCO centers are in Canada.

With respect to the first group of centers you inquired about, Brunswick did not operate any of them after 1968. Brunswick discontinued managing 500 in 1967, 502 in 1966. Centers 801, 802, 803 and 809 were closed or sold in 1967; 806 and 813 were closed or sold in 1966, and 814 was closed in 1968.

As to the second group of centers, Brunswick discontinued management of 503, 504, 505 and 512 in 1968, and 506, 507 and 509 in 1969. Brunswick acquired 511 in 1968 and it is now operated as 381. I am advised that Brunswick has not utilized numbers 551, 555 or 556. Centers 807, 812 and 816 were closed or sold in 1968, and 800 and 804 were closed in 1969.

With respect to the third group of centers mentioned in your letter, the 1971 P & L statements are enclosed, with the exception of centers 508, 514 and 517 as to which Brunswick discontinued its management in 1970.

These P & L statements are furnished pursuant to our continuing agreement with respect to keeping them and the information contained therein confidential and for use only in connection with this litigation.

Very truly yours,
